

LAMILUX HG 5000 Extra

INNOVATIVE FIBERGLASS SOLUTIONS

PRODUCT DESCRIPTION

LAMILUX HG 5000 Extra impresses with a flawless, high-gloss surface of the highest quality standard and represents the flagship product within our premium range. Our high-gloss grades combine the mechanical advantages of glass-fiber reinforced plastics with the refined appearance of painted aluminum. The additionally applied gelcoat layer permanently seals the surface, ensuring outstanding resistance to UV radiation and weathering.
