LAMILUX CI-SYSTEM GLASS ELEMENT FE 0° ROUND DESIGN

Administration and Logistics building, Ötisheim

Essential Information

Place / Country:	Ötisheim, Germany
Year:	2012
Building type:	Administration and Logistics building
Solutions:	Glass Skylight FE 0° round

Six pieces of our Glass Skylights FE (round version) were installed for the new construction of an Administration and Logistics building. Placed on a flat roof, the Glass Elements provide a high amount of daylight incidence to the offices beneath and create a bright, pleasant and productive atmosphere.

- Glass Skylight FE in round version with a diameter of 150cm
- VSG glazing with insulating glass, external pane ESG, linear isothermal
- Ug-Value: 1,1 W / m²K; Sound insulation: 35 dB
- Visible aluminum parts (mill finished)
