LAMILUX Glass Skylight F100

“Caritas”-workshop, Hagen (Germany)

Essential Info

Place / Country:	Hagen, Germany
Year:	2016 / 2017
Building type:	Workshop for people with disabilities
Solutions:	Glass Skylight F100 Glass Skylight FE

Since spring 2017 the roof of the Caritas-workshop for people with a disability looks again like a new one.

The renovated roof is really something to be proud of. Approximately 70 LAMILUX Glass Skylights illuminate the rooms below with natural daylight.

The flush-mounted glazing in the upstand guarantees a planning-level water drain to prevent dirt deposits.
