LAMILUX CI System Glass Architecture KWS 60

Municipal building, Partille (Sweden)

Essential Info

Place / Country:	Partille, Sweden
Year:	2011
Building type:	Representative buildings
Solutions:	Glass Roof KWS 60 Rooflight F100

After extensive reconstruction, the large shed roof allows a lot of daylight to stream into the lobby of the municipal building which was built in the 1970s. Sun protection glass keeps the heat within tolerable limits.

- Glass Roof KWS 60; divided in 44 glass panels, RAL coated, $U_g = 1,1 \text{ W/m}^2\text{K}$, noise insulation level 35 dB, solar protection glass 60/30
